Message from our Pastor 

My dear friends, please enjoy the wonderful article from Al Cariño.

Jesus became man to proclaim the Good News of our salvation in loving obedience to the will of His Father -- even unto death. One of the most important components of Jesus' mission is the formation of His followers "in His image and likeness" so that they could carry on from where He left. It is amazing how Jesus could accomplish this by drawing out an extraordinary lesson from the most ordinary act. In the gospel reading (Mk. 12: 38-44), Jesus wanted to teach His disciples what true generosity is all about. Jesus was sitting opposite the place where the offerings for the maintenance of the Temple were dropped. He was watching the crowd dropping their contributions. Many rich people gave large amounts. But a poor widow came and put in two very small copper coins, worth only a penny. Calling his disciples to him, Jesus said, "Amen, I say to you, this poor widow put in more than all the other contributors to the treasury. For they have all contributed from their surplus wealth, but she, from her poverty, has contributed all she had, her whole livelihood." Here, we see Jesus pointing to the poor widow as the model His disciples should emulate. Though the rich gave much, Jesus had no praise for them. But He was all praises for the poor widow. Why? She only had two coins and she could have kept one for herself and still be very generous. But no, she gave both. "She has contributed all she had, her whole livelihood," said Jesus. She let go of everything and committed herself wholly to the providence of God. As one spiritual writer has said, "For Jesus, true generosity is measured not by what people give but by what they have left after they give." Or as another writer has said, "The world computes in amounts, God computes in percentages." Thus in people's list, the widow is last while the big contributor is first. But In God's eyes, the big contributor is last, while the widow is first -- she gave 100% of what she had. Why does God like generosity and reward it? Because to be generous is to be most like God. The whole history of God's intervention in human history is one of generosity -- the creation of the first man and woman with whom God wanted to share His riches, the promise of a savior after the Fall, the gift of His own Son for our redemption and the gift of the Holy Spirit for our sanctification. We too are all called to be generous. If we look at ourselves, what do we have that we did not receive? Our life, talents, possessions -- they are all gifts from God. In fact, the only thing that is really ours is our sin. If we follow the example of the widow and Jesus Himself who gave His very life for us, we, too, are to be generous to others, to share what we have to others. But more than just the act of giving, we must

watch why we give, that is, our intention in giving. As we know, Jesus had only scathing words against the Scribes and the Pharisees, specially in the way they behave. When they made their contributions, they went to public places so that their gesture would be noticed and praised. How did Jesus call such people? Hypocrites: "When you give something to a needy person, do not make a big show out of it as the hypocrites do" (Mt. 6,2). We have modern versions of the Scribes and Pharisees. Today, when some people give to charity, they call for a press conference so that the whole world would know of their generosity. Not so with the followers of Jesus. We are to give in secret and for no other reason but to be of help to a brother or sister, in need. What can we give? Our time, talent and treasure. **Time.** There is always someone out there who needs at least a listening ear. And church and civic organizations can always use an extra hand. But what do we say? Busy ako, wala akong panahon. Yes, busy making money or building a career or passing time with our hobbies. How skewed some of our priorities are! **Talent.** Talents are given to us to share with others. If you are a good singer, you do not sing only in the bathroom but before others to give them listening pleasure. If you are a bright student, help the slower students. If you are an expert in a particular field, share it with others so that they will profit from your expertise. **Treasure.** Sometimes, all we can give is only a glass of water. But that is already something to a thirsty person. If you have no material goods to give, at least share kindness, knowledge, friendship -- all in the name of love. For did not Jesus say, "Whatever you do to the least of my brothers that you do unto me?" The example provided by the poor widow is certainly difficult to follow. But Jesus is not asking for anything less from His disciples.

También como cristianos se nos presenta esta tentación. Aunque nunca lo expresamos así, llegamos a creer que nosotros le hacemos un favor a Dios cuando rezamos, participamos en la Misa dominical, o cuando cumplimos los Mandamientos. Cristo nos ofrece este mensaje para prevenimos de esta actitud, con la que nos olvidamos de que Él nos ha dado infinitamente más de lo que nosotros podemos ofrecerle. Pero Dios no es un amo déspota y desconsiderado. No pensemos que al final de nuestra vida, después de haber trabajado y luchado sinceramente por Dios, seremos recibidos en el cielo con un seco y frío: "Sólo has hecho lo que tenías que hacer". Eso lo tenemos que decir nosotros, pero no lo dirá Él. Sus palabras las conocemos: dirá a quienes hayan vivido su mensaje: "Venid, benditos de mi Padre...". Y nos sentiremos con Cristo a gozar del banquete eterno.

A JOURNEY IN FAITH

The Rite of Christian Initiation of Adults is the process by which those who wish to join the Catholic faith community are welcomed and introduced to the beliefs and practices of the Church. For those not yet baptized, this process leads to the Easter Vigil where they receive the sacraments of Baptism, Confirmation and Eucharist. Those who have been previously baptized in another Christian tradition are invited to participate fully in the Church through the sacraments of Confirmation and Eucharist. Applications for RCIA will be accepted by the Religious Education department until November 16th, 2015. If you or anyone you know is interested in our program please contact the parish office between 9:00am to 2:00pm - Monday through Friday.

In the spirit of giving, this year we will be reinstating the Thanksgiving Tag Program. Thanksgiving food tags will be placed on the front ledge of the front pews. Please take a Thanksgiving Tag and donate item written on the back. All items are to be brought to the church by **Monday, November 23rd, 2015**. We will be donating these items to the Fr. English Collection.

The Parish office will be closed in observance of *Veteran's Day, Wednesday, November 11, 2015*. We will resume to regular office hours on *Thursday, Nov 12th, 2015*

Registered Parishioners

In order to be a *registered parishioner*-it is **imperative** that your envelopes are used. This will also assure that your donations are being accurately registered. In an effort to keep our records accurate, we will be discontinuing/eliminating envelope numbers that are **not** currently being used from the parish registry. For every envelope that is **not** being used our parish is charge.

Dear Parishioners,

With the merging of St. George into St. Brendan, the question of gifts made in wills and estate plans has come up. Specifically, if you have made a gift in your will to St. George Parish, know that, under canon law, St. George Parish is a community, not a building, and so the parish of St. George remains intact. Therefore, you do not need to change your designation to St. George. Your gift will go to our Catholic community in our current Clifton location. Please advise your estate attorney and /or executor to contact me directly for proper receipt and disbursement of your legacy gift according to your wishes.
